## November News

### Swinging into Learning

**Literacy-** Readers will be using their skills to compare and contrast the adventures and the information given in two books. Also, we will be focusing on finding the key details within the text as evidence in answering questions about the morals and lessons in the story.

**Math-** Mathematicians will be applying their counting skills to graphs and collecting data. Also we will be using different strategies to solve word problems.

**Writing-** As we are exploring nonfiction text we will also be writing informative text. We will be researching a topic and providing facts

**Social Studies-** This month we will learn the importance of Veteran's and why we celebrate them. We will also be exploring the map and different landforms around the world!

**Science-** In science we will be observing and comparing the difference between the day and night. Also, exploring the sun, moon, and stars.
