Learning Focus

Language Arts - We will retell familiar stories, including key details. We will ask and answer questions about unknown words in a text. We will name the author and illustrator and the roles of each. We will identify the main topic of informational texts.

Math - We will count to 100 by ones and tens, count on beginning from any given number, write numbers 0-20, represent a number with a numeral, and count to name "how many?"

Writing - We will use drawing, dictating, and writing to compose narrative and opinion pieces.

Social Studies - We will explain how jobs help people meet their needs and wants. We will explain ways people use environmental resources to meet basic needs and wants.

Science - We will understand how objects are described based on their physical properties and how they are used.
