Feb. 27 ~ Terrific Kids Café -
*Congratulations,
Braiden and Anisa!*

Learning Focus

Language Arts - We will focus on reading fiction and nonfiction books to make comparisons. We will distinguish between information provided by pictures or other illustrations and information provided by the words in the text

Math - We will focus on understanding that the two digits of a two-digit number represents the tens and the ones. We will also compare two two-digit numbers using symbols $<$, $>$, and $=$.

Writing - We will focus on writing narrative to recount two or more sequenced events, include some details about what happened, and use temporal words to signal order.

Social Studies - We will focus on understanding how humans and the environment interact within the community.

Science - We will focus on the physical properties of earth materials including rocks, minerals, soils, and water and how they are useful in different ways.

Word Wall Words/Spelling Pattern
